 - The EDB will issue a registration document to each student who can receive education in Hong Kong and all Scheme-KGs should only admit students holding a valid registration document.
 - Parents are required to apply to the EDB for a registration document for admission to KGs from September to November 2020. Details on application will be uploaded to the EDB's website in early September.
 - Parents should understand from KGs about their school-based admission mechanism, including the procedure, criteria, interview arrangements, application fee, etc. They should obtain application form and submit application for admission in accordance with the requirements as specified by individual KGs.
 - KGs will inform parents the application result **before 18 December 2020**.
